DAY WISE TENTATIVE ITINERARY

Day - 1 TOKYO

Welcome to Japan! After completing customs procedures, you'll be transferred to your hotel by shared shuttle bus. The rest of the day is yours to enjoy at leisure. In the afternoon, you'll receive details about the start of your tour.

Day - 2 TOKYO

In the morning, we'll take a **long guided tour**—about seven hours—through this simply stunning city! Its vibrant energy and cutting-edge neighborhoods coexist with areas full of peace and tranquility.

We'll make a short stop at Zojoji Temple to capture the most beautiful view of the Tokyo Tower. You'll notice hundreds upon hundreds of Jizo statues, stone-carved deities considered guardians of children, adorned with knitted hats, bibs, and pinwheels.

Next, we'll head to the famous Shibuya Crossing, that we will see from the bus. It is known as the busiest intersection in the world. Then we'll visit Meiji Shrine, dedicated to the spirits of Emperor Meiji and his wife.

Then we'll head to **Tokyo Skytree (admission included up to Tembo Deck at 350 meters high)**, Japan's tallest structure, where we'll enjoy an unmatched panoramic view of the city.

We'll end our visit in **Asakusa**, where we'll explore Sensoji Temple and the famous Nakamise Street. Afterwards, we'll return to the hotel passing by Akihabara district, the "Electric City", known as the center of Japanese manga and anime culture; and Ginza district.

Musafir.Com, Qatar Al Emadi Fin Square Building 2, C Ring Road Doha, Qatar.

PO Box No: 31192, T: +974 4497 9999

6:30 p.m. – We'll meet our guide in the hotel lobby and take the **subway (tickets included)** to the **Shinjuku** area. From there, we'll enjoy a walk through this lively district before heading to a local restaurant for **dinner (included)**. We'll return to the hotel by subway, accompanied by our guide.

***Note:** The order of the visits may vary depending on the admission time for Tokyo Skytree. In case of bad weather or other exceptional circumstances, access to Tokyo Skytree may be limited. In that case, an alternative visit to another iconic city viewpoint will be offered.*

Day - 3 TOKYO - MOUNT FUJI - KAWAGUCHIKO

We travel toward the beautiful Mount Fuji area, enjoying the scenic landscapes along our route. Our first stop is Arakurayama Sengen Park, famous for its beautiful pagodas and for offering some of the most iconic and breathtaking views of Mount Fuji.

We then continue to **KAWAGUCHIKO**, an idyllic town of charming houses, flowers, and mountains beside a stunning lake. Upon arrival, we'll **visit the Fuji Sengen Shrine**, a magical place surrounded by tall trees — traditionally the starting point of the pilgrimage up Mount Fuji. We'll take a moment to give thanks at the shrine for the opportunity to visit such a spiritually rich and enchanting site.

Afterward, we'll enjoy a pleasant **boat ride on Lake Kawaguchiko**, then begin our ascent toward Mount Fuji via the road that leads to the "Fifth Station." Driving through spectacular forests and landscapes, we'll reach an altitude of 2,305 meters (7,562 feet).

***Note:** In winter, the route to the Fifth Station is often closed due to snow or weather conditions; during those times, we'll go as far as we're permitted.*

We'll return to Kawaguchiko and stay overnight at a Ryokan (traditional Japanese inn), where you can relax and enjoy the Onsen (public hot spring bath). **Dinner included.**

***Note:** In the planned Ryokan, some rooms are Japanese-style with tatami mats, while others are Western-style. Occasionally, accommodation may be provided in a Western-style hotel instead.*

Day - 4 KAWAGUCHIKO - IYASHI NO SATO NENBA - TOYOTA - KYOTO

In the morning, we'll follow a scenic road that winds around picturesque lakes to visit **Iyashi no Sato Nenba**, a small village that was destroyed by a typhoon in 1966 and later restored as an open-air museum. Its traditional houses have been converted into arts and crafts shops, restaurants, and cultural exhibits, offering a glimpse into Japan's past.

Next, we'll visit the breathtaking **Shiraito Falls**, one of Japan's most stunning natural attractions, with cascading water that spans a height of 20 meters.

From there, we'll continue to **Nagoya**, where we'll visit the **Toyota Museum** (admission included), a must-see destination for car enthusiasts and those curious about automotive innovation.

Finally, we'll proceed to **Kyoto** for our overnight stay.

Day - 5 KYOTO

We'll spend the entire day exploring **Kyoto**, Japan's capital from 794 to 1868 and home to the Imperial Court. Remarkably, Kyoto was the only major Japanese city spared from bombing during World War II, allowing it to retain its rich artistic heritage. Notably, the Kyoto Protocol, aimed at limiting greenhouse gas emissions, was signed here in 1997.

We'll include a visit to Kyoto's most iconic landmarks. Our tour will begin in **Arashiyama**, where we'll admire the Togetsukyo Bridge, or "Bridge over the Moon." This spot offers a breathtaking panorama of the surrounding landscape.

We'll then visit the **Tenryuji Temple**, one of Kyoto's "five great Zen temples" and a UNESCO World Heritage Site, followed by a serene walk through its **mystical bamboo forest**.

Next, we'll explore the magnificent **Fushimi Inari Shrine**; the **Imperial Palace**; and the **Kinkakuji Temple**, also known as the "Golden Pavilion," surrounded by its spectacular gardens. (The order of the visits may vary.)

After the tour, you can enjoy some time to stroll through **Gion**, Kyoto's vibrant traditional district, known for its lively atmosphere and geishas.

Day - 6 KYOTO - NARA - OSAKA

We'll depart for **Nara** to visit **Todaiji**, a magnificent Buddhist temple built in 752, home to a giant Buddha statue. Here, you'll also have the chance to take photos and interact with the friendly deer that roam freely in the surrounding park. **Lunch will be included.**

Afterward, we'll visit the **Horyu-ji Buddhist Temple**, a UNESCO World Heritage Site that encompasses a seminary, monasteries, and temples. Its central pagoda is one of the oldest wooden structures in the world and holds the distinction of being Japan's oldest Buddhist temple, serving as an important place of worship.

Our journey will then take us to **Osaka**, where we'll arrive in the evening. Accommodation will be in this vibrant and modern city, known as Japan's second-largest urban area. Later, we'll visit **Dotonbori**, a lively and colorful district renowned for its bustling nightlife.

Day - 7 OSAKA - HIMEJI - KORAKUEN GARDEN - OKAYAMA

We'll depart for **Himeji**, where admission to its immense complex, showcasing the architecture of Japanese castles, will be included. After **lunch at a local restaurant** (included), we'll continue to **Okayama**, where we'll visit **Korakuen**, one of the most beautiful gardens in **Japan**, with its lakes, waterfalls, and traditional teahouses. By crossing a pedestrian bridge over the river, you'll have the opportunity to visit Okayama Castle, a sixteenth-century Japanese fortification rebuilt in 1966 after being destroyed in a World War II bombing (visit inside the castle not included). Afterward, you'll have free time to explore the city, an active provincial capital with just over 700,000 inhabitants.

Note: On some dates, we may stay in Fukuyama or Kurashiki. The visit to Kurashiki may take place on the same day in the afternoon.

Day - 8 OKAYAMA - KURASHIKI - ITSUKUSHIMA - HIROSHIMA

We'll set out for Kurashiki, a city renowned for its beautifully preserved historic center. You'll have time to enjoy a leisurely stroll through its charming streets, where the atmosphere of the past is still alive.

Our journey will then take us to Hiroshima, a city forever marked by the atomic bomb that devastated it in 1945. We'll visit the Peace Memorial Park, the Atomic Bomb Dome, and the moving Peace Memorial Museum, where the history and resilience of this city are powerfully remembered.

Seeking serenity after these reflections, we'll take a ferry to the island known as the place "where men and gods live together." Here, we'll visit the famous Itsukushima Shrine, dedicated to the guardian of the seas, and partially built over the water. You'll have time to explore the shrine, wander through the picturesque town center, and enjoy lunch.

Afterward, we'll return to our hotel in Hiroshima, where dinner will be included.

Note: The order of visits in Hiroshima may be adjusted without altering the overall itinerary.

Day - 9 HIROSHIMA - TOKYO

After breakfast, we'll provide a transfer to the station to take the **bullet train to Tokyo**. It takes four hours to travel the 800 kilometers between both cities. Arrival in Tokyo will be at around 2:00 pm.

Day - 10 TOKYO

After breakfast, our journey will come to an end, leaving you with wonderful lasting memories.
