DAY WISE TOUR ITINERARY

Day 1: Arrival

- Welcome to Japan! After completing customs procedures, you'll be transferred to your hotel by shared shuttle bus.
- The rest of the day is yours to enjoy at leisure. In the afternoon, you'll receive details about the start of your tour.

Day 2: Tokyo City Tour

- In the morning, we'll take a long guided tour—about seven hours—through this simply stunning city! Its vibrant energy and cutting-edge neighborhoods coexist with areas full of peace and tranquility.
- We'll make a short stop at Zojoji Temple to capture the most beautiful view of the Tokyo Tower. You'll notice hundreds upon hundreds of Jizo statues, stone-carved deities considered guardians of children, adorned with knitted hats, bibs, and pinwheels.
- Next, we'll head to the famous Shibuya Crossing, that we will see from the bus. It is known as the busiest intersection in the world. Then we'll visit Meiji Shrine, dedicated to the spirits of Emperor Meiji and his wife.
- Then we'll head to Tokyo Skytree (admission included up to Tembo Deck at 350 meters high), Japan's tallest structure, where we'll enjoy an unmatched panoramic view of the city.

- we'll end our visit in Asakusa, where we'll explore Sensoji Temple and the famous Nakamise Street. Afterwards, we'll return to the hotel passing by Akihabara district, the "Electric City", known as the center of Japanese manga and anime culture; and Ginza district.
- 6:30 p.m. – We'll meet our guide in the hotel lobby and take the subway (tickets included) to the Shinjuku area. From there, we'll enjoy a walk through this lively district before heading to a local restaurant for dinner (included). We'll return to the hotel by subway, accompanied by our guide.
- Note: The order of the visits may vary depending on the admission time for Tokyo Skytree. In case of bad weather or other exceptional circumstances, access to Tokyo Skytree may be limited. In that case, an alternative visit to another iconic city viewpoint will be offered.

Day 3: Tokyo – Mount Fuji – Kawaguchiko

- We travel toward the beautiful Mount Fuji area, enjoying the scenic landscapes along our route. Our first stop is Arakurayama Sengen Park, famous for its beautiful pagodas and for offering some of the most iconic and breathtaking views of Mount Fuji.
- We then continue to KAWAGUCHIKO, an idyllic town of charming houses, flowers, and mountains beside a stunning lake. Upon arrival, we'll visit the Fuji Sengen Shrine, a magical place surrounded by tall trees – traditionally the starting point of the pilgrimage up Mount Fuji. We'll take a moment to give thanks at the shrine for the opportunity to visit such a spiritually rich and enchanting site.
- Afterward, we'll enjoy a pleasant boat ride on Lake Kawaguchiko, then begin our ascent toward Mount Fuji via the road that leads to the "Fifth Station." Driving through spectacular forests and landscapes, we'll reach an altitude of 2,305 meters (7,562 feet).
- Note: In winter, the route to the Fifth Station is often closed due to snow or weather conditions; during those times, we'll go as far as we're permitted.
- We'll return to Kawaguchiko and stay overnight at a Ryokan (traditional Japanese inn), where you can relax and enjoy the Onsen (public hot spring bath). Dinner included.

- Note: In the planned Ryokan, some rooms are Japanese-style with tatami mats, while others are Western-style. Occasionally, accommodation may be provided in a Western-style hotel instead.

Day 4: Kawaguchiko – Iyashi No Sato Nenba – Toyota – Kyoto

- In the morning, we'll follow a scenic road that winds around picturesque lakes to visit Iyashi no Sato Nenba, a small village that was destroyed by a typhoon in 1966 and later restored as an open-air museum. Its traditional houses have been converted into arts and crafts shops, restaurants, and cultural exhibits, offering a glimpse into Japan's past.
- Next, we'll visit the breathtaking **Shiraito Falls**, one of Japan's most stunning natural attractions, with cascading water that spans a height of 20 meters.
- From there, we'll continue to **Nagoya**, where we'll visit the **Toyota Museum** (admission included), a must-see destination for car enthusiasts and those curious about automotive innovation.
- Finally, we'll proceed to **Kyoto** for our overnight stay.

Day 5: Kyoto

- We'll spend the entire day exploring **Kyoto**, Japan's capital from 794 to 1868 and home to the Imperial Court. Remarkably, Kyoto was the only major Japanese city spared from bombing during World War II, allowing it to retain its rich artistic heritage. Notably, the Kyoto Protocol, aimed at limiting greenhouse gas emissions, was signed here in 1997.
- We'll include a visit to Kyoto's most iconic landmarks. Our tour will begin in **Arashiyama**, where we'll admire the Togetsukyo Bridge, or "Bridge over the Moon." This spot offers a breathtaking panorama of the surrounding landscape.
- We'll then visit the **Tenryuji Temple**, one of Kyoto's "five great Zen temples" and a UNESCO World Heritage Site, followed by a serene walk through its **mystical bamboo forest**.
- Next, we'll explore the magnificent **Fushimi Inari Shrine**; the **Imperial Palace**; and the **Kinkakuji Temple**, also known as the "Golden Pavilion," surrounded by its spectacular gardens. (The order of the visits may vary.)

- After the tour, you can enjoy some time to stroll through **Gion**, Kyoto's vibrant traditional district, known for its lively atmosphere and geishas.

Day 6: Kyoto - Eihei-Ji - Katsuyama-Dinosaur Museum - Kanazawa

- We'll start our day with breakfast before departing along one of the largest lakes in Japan. Our first stop will be at Shirahige Ginra, a small shrine located by the lake.
- We'll then head to Eihei-ji, a temple-monastery founded in 1244 and a central hub of Zen Buddhism in Japan (admission included). Its surroundings, architecture, gardens, and spiritual ambiance make it a key training center for monks who practice Zazen meditation and follow a strict daily diet.
- Next, in Katsuyama, we'll visit three key sites. First, the Dinosaur Museum, located at the largest dinosaur fossil site in Japan, where you'll have free time for lunch and to explore its educational exhibits featuring over 40 dinosaur skeletons.
- Then, we'll visit the Great Buddha of Echizen and its grand temple, along with a five-story pagoda, which we can climb to enjoy panoramic views.
- We'll arrive in Kanazawa by evening

Day 7: Kanazawa

- We'll spend a full day in Kanazawa, beginning with a guided city tour in the morning. This city, which once rivaled Kyoto and Tokyo, was spared from destruction during World War II air raids.
- We'll visit the castle area, with its impressive walls, and take a stroll through the historic Nagamachi neighborhood, where samurai and their families once lived.
- This area preserves its historical atmosphere with remaining residences, earthen walls, private entrance gates, narrow alleys, and water canals.
- We'll also include admission to Kenrokuen, one of the three most beautiful gardens in Japan. The tour will end at Omicho, a lively traditional market with many options for lunch.

- The afternoon will be free for you to explore.

Day 8: Kanazawa – Ainokura – Shirakawa – Hida Village – Takayama

- Today, we'll journey through beautiful mountain landscapes, forests, and traditional villages as we explore the Gokayama and Shirakawago regions.
- These villages have been designated as UNESCO World Heritage Sites, and their traditional houses, with steeply sloped roofs, are known as "praying hands" for their resemblance to monks' hands joined in prayer—designed to withstand heavy winter snowfalls.
- We'll stop in Ainokura, a charming small village, and in Shirakawa-go Ogimachi, a larger, more popular village. There will be time to stroll and enjoy lunch. Afterward, we'll continue to Takayama, where we'll visit the Hida Folk Village Museum, nestled in a peaceful setting.
- This open-air museum features over 30 traditional houses from the Edo Period (1603–1868), relocated from their original sites to form this museum in 1971.
- The buildings showcase tools and utensils used in everyday life in the past. We'll then have free time to explore the old town, with its wooden houses and traditional shops.

Day 9: Takayama – Hida Furukawa – Matsumoto – Tokyo

- After breakfast, we'll depart for Hida Furukawa, where we'll stroll through its charming old town.
- The city's festival has been declared an Intangible Cultural Heritage by UNESCO, known for its large drums and beautifully decorated floats. We'll include admission to the museum, which showcases the festival's floats, costumes, and drums.
- We'll then continue our journey across the Japanese Alps, renowned for their snow-covered landscapes for much of the year. Upon arrival in Matsumoto, we'll visit the city's impressive castle, known as the "Crow Castle" due to its black color, dating back to the 16th century.
- Afterward, you'll have free time to enjoy lunch and explore the town. In the afternoon, we'll depart for Tokyo, arriving by the end of the day.
